After losing early wickets the late order batsmen really fought well to get us to 109. We needed early wickets to give ourselves a chance but dropped a couple of hard catches and missed a run out – this was a shame as we bowled quite well.

The opposition were very strong but we fought well. Richard Venn did extremely well to win his singles 7-5 having faced match points earlier in the set.

Harry Phillips played an extremely strong player in his singles and produced some fine tennis. Luke Bartlett and Harvey Denning were playing for the first time and did very well.

U13 lost on games count

Matches won were even at 3-3 but Heathfield won 30 games to Queen's 24. Some fine matches were played, Particular mention should be made of George Mason and Alex Trepass who won their singles.

### **V Blundells**

1<sup>st</sup> XI lost 2 ½ - 6 ½

An exciting match with Sam Marston and Chris Ashman-Adams winning two of their three matches.

We played well. There were chances to clinch the win but they proved elusive. Freddie Biss and Alex Dance won 3 of their 4 sets and Jo Heaynes and Sam Marston won 2 of their 4 sets.

### **V Clifton College**

1<sup>st</sup> VI lost 1-8

Outclassed by a strong Clifton team, games went to deuce but need to be able to convert from there.

2<sup>nd</sup> VI lost 1-8

Only slightly closer than the 1<sup>st</sup> games but still too many errors.

U15 A VI lost 2-7

Girls played well enough and the match was still in the balance when it came to the final round of matched pairs. We need to exploit the oppositions weaknesses and take all the big points.

U15B VI lost 2-7

Girls played well especially the 3 U13 players. Hannah Robinson and Laura Fry won two sets.

U14A won 7-2

All the girls played well remaining focussed against weaker opposition.

Bonnie Free and Georgie Maclachlan had an excellent game against their first pair, being the only couple to beat them.
