

Sports Results – Week 5

Cricket

V QEH

1st XI won

Queen's 271 for 8

QEH 259 all out

A very easy paced game with a lot of runs being scored. Jake Lintott – 63, George Musgrave – 92, Jack Kohler – 71. QEH batted well and it was a close match.

2nd XI won

Queen's 204 – 6

QEH 101 all out

James Cooke – 75, Jack Geldard 3-20, and Ed Shawcross – 37.

U15A lost

Queen's 117 for 2 off 25 overs

QEH 118 for 2 off 20 overs

Harvey Denning batted, bowled and captained very well.

U14 XI lost

QEH 178 all out off 29.3 overs

Queen's 52 all out off 11.4 overs

We fielded poorly which followed by some poor bating meant that QEH had an easy win.

U13 XI won by 5 runs

Queen's 137 all out all

QEH 132 all out

A good close game of cricket which swung on an outstanding catch from Matthew Ajmaya. The team were well led by George Shpeherd and they fielded really well.

U12A XI won by 11 runs

An excellent team effort, we fielded well and kept calm heads in the final overs.

Boys' Tennis

V King's College

1st VI won by 5-4

This match traditionally produces a close result and it was satisfying to be on the winning side. All three pairs played very good tennis but this was particularly the case for the first pair Adam Pleeth and Sam Day who outplayed their opponents with some excellent tennis.

2nd VI lost by 4-5

A disappointing result as the match could have gone either way. The first two pairs did well to win two of their three sets but there were no points forthcoming from elsewhere.

Colts VI won 5-4

The margin of victory should have been greater but chances were missed. Nonetheless all three pairs enjoyed their success.

V King's Bruton

1st VI won 6-3

This was an excellent win against a competent opponent. For the second match in a row Sam Day and Adam Pleeth were outstanding and conceded only one game in each of their four sets. James Baker and Faraz Taraq continue to impress winning three of their four sets.

2nd VI won 7-2

A very pleasing win with excellent tennis from all but particular mention should go to Freddy Biss, Jake Evans, Sam Monks and Jo Heaynes.

U16 VI won 6-3

A convincing win with some particularly consistent tennis from Harry Phillips and Alex Dance.

Girls' Tennis

U15 Aegon Cup

V Millfield lost 0-6

Sadly our players were outclassed by the Millfield 'squad' players. Alex Chilcott took 3 games in her singles –and the result was not as one-sided as the score line suggests.

V Blundells

1st VI lost 1-8

Some close games but we never quite capitalised on our good shots.

2nd VI lost 0-9

The occasional good shot but not enough to win.

U15 A & B VI both lost 0-9

The girls played well enough in brief patches – but these were not long enough to win significant games.

U14 A won 6-3

The girls did well to stay focused in the heat.

Flossie Biss and Alex Chilcott won all three of their sets and were dominant as always.

Scarlett Scott-Collins and Evie Phillips won 2

Megan Coles and Abi Sander-Dutton won 1

U14B won 6-3

Sarah Marsh and Hannah Fisher played some excellent tennis to win all their sets easily.

Lauren Theobald and Kate Johnson won 2

Bonnie Free and Georgie Maclachlan won 1

U13 lost 4-5

Holly Brown and Laura Fry, Hannah Larking and Hannah Wilson won 2 of their games. This was a very close competition.

U12 won 6-3

All the couples won 2 sets and played well in the conditions.

Rounders

V West Buckland

U12A lost 6 ½ to 15

Some good spirited team play which all the girls enjoyed

U12B lost 9 ½ to 12 ½

Thanks to all the team who competed well.

Athletics

Area trial – 14 girls have been selected to represent the area in the County Championships

V Millfield, King's College, Blundells, Wellington, Bryanston, Taunton and Sherborne.

Good competition against strong schools. U16 girls were 3rd overall with the most noticeable performance of the day being Josie Loxton who threw 32.20 metres in the javelin which breaks the existing school record by 4 metres.

V Danesfield

Year 7 and 8 won

Queen's 229

Danesfield 156

All performed well and the weather was kind to us.

V Taunton Prep, King's Hall, Danesfield and King's College

Years 7 & 8 and 9 & 10

The inter girls came 1st with King's College 2nd

Junior girls came 1st.

ESAA Cup

Some good performances from Jonathan Kingston, Dan Handford, Toby Griffiths and Tarrick Nethercott. Unfortunately neither the junior or inter boys teams qualified for the next stage.

V Sherborne, Taunton, Wellington, King's College, Blundells and King's Bruton

Year 10 boys – awaiting final result

The boys produced a spirited team performance and each of them competed in the maximum number of events. Personal bests were set by Jonathan Kingston

in the 1500m and the 4 x 100m relay along with Dan Handford, Jake Slingsby-Smith and Josh Armytage. Michael Kwok also threw over 35m in the discus.
