Cricket

V Taunton School

U13A lost by 43 runs

Taunton 157

Queen's 114

Some undisciplined bowling and casual batting from upper order players put the team under unnecessary pressure. Some good cricket from George Shepherd who fielded excellently and batted sensibly.

Queen's 212 – 8 from 37 overs

Kelly 68 all out off 25 overs

A really close game, sadly some poor batting but excellent bowling and fielding won us the game.

An excellent batting display, followed up by some sound bowling and fielding.

What a game! A win in the final over on our final wicket. An excellent whole team performance and a highly enjoyable game of cricket.

Boys' Tennis

V Taunton

1st VI drew

A real thriller with all boys producing some strong levels of tennis. Sam Day, Adam Pleeth, Faraz Taraq and James Baker all battled hard for a draw which was tough to earn.

2nd VI drew

Another cliff hanger with Tom Harris and Dougie Herbert holding their nerves in their final set to earn the draw.

U16 won 5-4

A closely fought contest ended in a win for Queen's. Ian Mak, Richard Venn, Harry Phillips and Ewen Alexander played with real concentration and commitment.

Girls' Tennis

V Millfield

1st VI won 7-2

Girls played aggressive, positive tennis with good serving and proper volleying. Well done to all.

U15 lost 2-7

The difference was 3 close matches that we should have won.

U14 lost 5-4

Sarah Marsh and Hannah Fisher did well to beat their opposite pair and were the most successful couple against their 1st pair managing to win 3 games.

Swimming

V Wellington

U12 and U13

Won 200 – 141

Another excellent swim with the team missing lots of key swimmers due to other sports fixtures. U12 and U13 still unbeaten with only one swim meet remaining this term.
