In the event of the fire alarm sounding you must leave the building by the nearest safe exit and assemble **on the drive directly outside the Housemaster's House.**

Do not return to your room to collect anything.

The House will assemble in lines, one line for each year group. Pupils in each line will be in alphabetical order.

If you discover a fire set off the nearest fire alarm and leave the building by the nearest safe exit. **Do not tackle the fire yourself.**

PUPIL INVOLVEMENT IN RUNNING THE HOUSE

All pupils are expected to contribute in some way to the House community. Pupils in Year 9 and 10 do so, as a minimum, through the duty system (see below). Year 11 pupils also have a limited set of duties and can choose to perform a role as a weekend prefect. All pupils in Year 12 and 13 are expected to contribute in some way. Some will do so as a House Prefect but if not a House Prefect then should contribute through being part of a duty rota and participate in helping to organise House activities.

PREFECTS

In addition to the 'Head of House', there are two Assistant Heads of House. All Year 12 and 13 pupils are given the opportunity to apply to become House Prefects.

CHANNON HOUSE DUTIES

All Year 9, 10 and 11 pupils are expected to do the following duties on a rota basis:

1. Bins: Wastepaper bins from all the dorms are emptied in the evening
2. Social areas and prep room; Each evening these rooms are tidied, removing any used crockery/cutlery to the kitchen, cleaning the floor, if necessary and tidying tables and chairs.

3. Laundry Bins; Each evening the laundry bins should be taken to the linen room.

Pupils doing duties must report to the prefect on duty when they have completed that duty

The Duty Prefects must firstly check that the duties are being done properly and then report that fact to the teacher on duty.
