

QUEEN'S
COLLEGE
TAUNTON

CURRICULUM SUBJECTS

For pupils in Years 7–9

At Queen's College we offer a comprehensive range of subjects from Year 7 onwards. These subjects, along with Business Studies introduced to the timetable in Year 9, can be studied through to GCSE Level.

This broad and balanced academic curriculum aims to inspire and nurture students' interests and abilities and is supported by lessons in Cognitive Acceleration and PSHME.

Art	Games
Biology	Geography
Chemistry	German*
Computing	History
Design Technology	Mathematics
Drama	Music
English Language	Physical Education
English Literature	Physics
Food and Nutrition	Religion & Philosophy
French*	Spanish*

*Pupils may choose two languages as part of their curricular timetable.

For further information on the individual subjects visit www.queenscollege.org.uk
or email contact@queenscollege.org.uk
