The start of a new academic year is always very busy and we advise ordering uniform several weeks before the start of the term.

Marking and Looping

Every article of clothing (including detachable items like belts and hoods and all underwear and socks) must be marked with the child's name in woven name tapes. These can be purchased through Perry Uniform. Delivery is normally one week, but please allow 2 weeks at busy times of the year. The child's name should also be clearly marked on all footwear. All other possessions brought to school (including boarders' toiletry requisites) must be clearly marked with the child's name. Watches should be engraved. We strongly recommend that children do not bring expensive personal possessions to school. Jewellery is NOT allowed, except plain stud earrings for girls with pierced ears. Sports clothes and towels must have LOOPS attached for hanging. Please would parents check that all articles are in a good state of repair at the beginning of each term.
