Co-Curricular Brochure - Autumn 2021

At Queen's College Pre-Prep our Co-Curricular programme offers a variety of activities that help our pupils to realise their potential in a variety of ways. Our diverse range of activities are integral to the school day and very much part of the curriculum.

Years 1 & 2 children are invited to participate in as many Co-Curricular activities as they wish.

The range of activities available gives pupils the chance to embrace the opportunities on offer, challenging themselves and broadening their experiences.

Year 1 & 2 Co-Curricular activities take place from 3:40pm - 4:25pm.

Late Care is available from 3:40pm - 6:00pm

Please note:

Please could Parents talk through and consider carefully the choices with their children and then complete the Google Co-Curricular Choices Form by 9:00am on Thursday 9th September.

The Co-Curricular programme will start on Monday 13th September.

Late care will still be available until 6:00pm on Thursday 9th and Friday 10th September.

Sports lessons and Co-Curricular activities will run in line with the latest guidance from the Government and National Governing Bodies.

All activities will be thoroughly risk-assessed.

Some activities may not run if there is insufficient interest.

In the case of activities being over-subscribed, we will determine which pupils do each activity.
