

f Astro and MUGA

Available to hire two dedicated AstroTurf Pitches (fully floodlit), one full-size hockey pitch that can also be halved to allow for 2 smaller pitches and a full-size Astro for football, tennis, hockey etc.

New to Queen's College is the MUGA. This recent addition to our sports facilities is all-purpose and all-weather. All of our Astro pitches are floodlit.

g Swimming Pool

Our fully heated indoor swimming pool has a capacity of 25 swimmers. At the shallow end, the depth is 1.3 metres and at the deep end, the depth is 2.2 metres. It measures 18 x 7.8 metres.

Facilities and Venue Hire

Facilities and Venue Hire

Queen's College is a co-educational independent school, the oldest independent school in Taunton with our main building commissioned in 1843. Our current site has expanded since then, we are now lucky to have access to approximately 36 acres of grounds including a 570 seat theatre, 22 tennis courts, 6 cricket pitches, indoor and outdoor nets, sports hall, indoor pool and 4 netball courts to name but a few. Various halls and breakout rooms provide flexibility and excellent conference facilities.

Our excellent and fully equipped facilities are available for hire and range from historic, chandelier-lit halls to modern, floodlit AstroTurf pitches.

To enquire about renting our fantastic facilities please email events@queenscollege.org.uk or call 01823 340880.

Competitive rates available for venue hire, for a one-off occasion or a regular arrangement.

a Queen's Theatre

The jewel in our crown, our theatre holds up to 570 people in tiered seating and has an extendable stage with a full lighting rig and sound system. Technical support is available should it be required. There is a large foyer with a bar area, cloakrooms and a kitchen with a servery.

b Dining Pavilion

The smaller of our two school dining rooms, the dining pavilion has a modern feel to it having been recently renovated to give our A-Level students their own space for lunch and to catch up or relax. The dining pavilion seats 40 and had a servery, kitchen space and cloakroom.

c Old Music Room

A beautiful room and an original part of the main building with great acoustics, the Old Music Room retains many of its original features. This room seats 80 for lectures or presentations and can seat up to 50 people for dining. It's a great room for a social gathering or a musical soiree.

d Birchall Hall

The Birchall Hall is situated at our Prep School. The doors open out onto the playground and upper field and offer beautiful views over the picturesque Quantocks and Blackdown, areas of outstanding natural beauty. There is a lighting rig, sound desk and a stage for lectures and performances and can accommodate 80 people. Alternatively, it can seat 50 people for dining.

e Wyvern Hall

The Wyvern Hall is part of the main and original building of the school and historically has been the School Chapel and Great Hall. The room seats 112 people on tiered seating for lectures or smaller performances and can seat 120 people for dining.

The floor of the hall is sprung and is used as performing arts space for ballet and other forms of dance.

Adjoining the Wyvern Hall is a smaller conference room that is licensed to serve alcoholic beverages, has its own small kitchen area and can accommodate 24 people seated at the tables or 50 in theatre-style seating.
