Scholarship Terms and Conditions

1. **Obligations of the pupil:** A pupil who is the subject of an Award is required to work hard, to contribute positively to the life of the School, to be a credit to the School and to set a good example to other pupils (for example: a pupil awarded a sports scholarship would be expected to participate in School sports teams). Musical scholars would be required to contribute to the musical life of the School, artists to participate in exhibitions, performing arts scholars to contribute to major school productions and for pupils awarded academic scholarships, for them to represent the School in competitions such as mathematical Olympiads or essay writing competitions). Scholars are expected to remain at Queen's College until the end of the Sixth Form.
2. **Obligations of the parents:** The parents are expected to support and encourage the pupil to achieve the purposes of this Award and to uphold the aims and the good name of the School. The parents are also required to pay the balance of the account by the first day of term.
3. **Withdrawal of the Award:** The Award may be withdrawn by written notice sent to a parent if, in the opinion of the Head acting in good faith, the pupil or a parent has not complied with the obligations set out in paragraphs 1 and 2 above or otherwise the pupil has fallen below the standards of conduct and progress and in the further opinion of the Governors there has been no significant improvement following consultation with a parent and/or the pupil and a written warning. Withdrawal of the Award shall take effect from the start of the following term. Further, the Award may be withdrawn by written notice if the balance of account remains unpaid 28 days after a written reminder has been sent to the parents.
4. **Repayment events:** Parents shall be required forthwith upon written notice to repay all or part of the benefits they have received under the Award in any of the following circumstances:
 - a. Up to three terms benefits (if received) if the pupil has engaged in serious misconduct or has been expelled or removed for reasons of misconduct by the requirement of the Head acting in good faith.
 - b. Up to three terms benefits (if received) in a case of the pupil being withdrawn for any reason during a School term without a term's written notice having been given.
5. **Fees in lieu of notice:** For the avoidance of doubt, the benefits payable under an Award do not apply to any term for which the School has required payment of fees in lieu of notice.
6. **Other awards:** The benefits payable under an Award replace and subsume any other benefit, award or reduction in fees already agreed or offered.
7. **Standard Terms and Conditions:** These Conditions of Award take precedence over any of the School's standard terms and conditions which are inconsistent with them but in all other respects the standard terms and conditions as amended from time to time shall apply and these Conditions of Award shall be interpreted in accordance with them.
