

QUEEN'S
COLLEGE
TAUNTON

Forces Families

Queen's College is proud to offer generous benefits to forces families.

Forces Families in receipt of CEA pay just 10% of boarding fees.

Boarding fees include all meals, tuition and laundry. Most co-curricular activities and weekend trips too!

- **Caring, Family Environment:** We are an independent day and boarding school set in 36 acres of beautiful grounds on the edge of Taunton, Somerset - giving the best of urban and rural life.
- **Providing long term educational stability:** As a “through school” disruption is minimised with a continuous learning journey for ages 8-18 provided for.
- **Academic Excellence & Extensive Choice:** We have a range of options for GCSE and A Level, as well as a broad co-curricular offering (100 + weekly activities) ensuring a well-balanced education.
- **Award-Winning Wellbeing:** We prioritise your child's wellbeing and keep you informed through clear communication.
- **Unparalleled Facilities:** From academics and sports to music, creative and performing arts, your child will have access to superb facilities to develop their passions.
- **Flexibility for Deployments:** We understand the unique challenges of military families. We offer flexible options for your child to join you during periods of leave (POTL/R&R).

QUEEN'S
COLLEGE
TAUNTON

Your Child's Stable Second Home

Why Queen's?

We offer a nurturing, co-educational boarding experience for your child throughout their schooling. Our modern, comfortable boarding houses are set on beautiful grounds within walking distance of Taunton. Dedicated house parents create a warm, family atmosphere (think movie nights, take-away dinners, even pets!). This stability allows your child to thrive while you are away.

High Performing & Award-Winning

Mental health, happiness, and wellbeing are at the heart of everything we do. Last year Queen's was awarded the "Wellbeing Award for Schools" and named a "World Leading Boarding School" by Fortune. We are a High Performing Learning Pathway School (HPL), the HPL approach challenges traditional notions of ability. It's a philosophy that recognises that talent is not an innate gift but rather a product of deliberate practice, perseverance, and importantly the right opportunities. This translates into exceptional results, with a 99% A Level pass rate in 2023 and 68% achieving A*-B grades.

Beyond Academics

Accomplished Sports Coaching: Pupils can develop athletic skills and teamwork under the guidance of experienced coaches.

Professional Theatre & Arts: Pupils can immerse themselves in the vibrant creative and performing arts, with a 570-seat theatre and 9 productions annually.

Essential Life Skills: Our unique Queen's diploma equips Sixth Form students with practical skills such as accounting, public speaking, and even car maintenance.

Design, Technology & Food: Our design, technology and food department gives students the opportunity to learn to cook with products grown on-site, and create and compete at national competitions. Students can even build and race electric vehicles.

Connection with Nature: Nestled near stunning national parks, Queen's offers a unique opportunity for your child to get out in nature and enjoy activities such as mountain biking, climbing and kayaking.
