# QUEEN'S COLLEGE

As we head into the College's busiest and hopefully warmest term, you'll find there are still plenty of events and activities taking place, many being organised by external organisations and partners of ours, from our trusted holiday camp suppliers to local dance schools.

Events at Queen's College are open to all and we look forward to welcoming you to our friendly community.

Unless stated otherwise, all events are bookable via our box office at [www.queenscollege.org.uk/news-events/events](http://www.queenscollege.org.uk/news-events/events) or by using the QR code.

We look forward to seeing you during this busy season.

From Athelstan to Charles III, Britain has been ruled by sixty kings and queens. Some have been villains, some have been unready and some have been happy and glorious...

This year we are exploring the rich history and pageantry of the British Isles through dance, music and literature from across the centuries. Students who take extra-curricular dance, instrumental or LAMDA lessons all join forces to create a spectacular showcase of their incredible skills, talent and hard work.

**The Arts Society Taunton presents  
'Artemisia Gentileschi: Daughter  
of Rome, painter of Europe'**

by Chantal Brother-Ratcliffe, a lecturer for 40 years

What skills did it take for a woman to become  
a painter in 17th century Europe?

Artemisia Gentileschi (1593-1654) was by no means the only woman painter of her period, but she is a rarity, and she also ranks amongst the greatest painters of the 17th century. Her career spanned a time of great change in Italian taste, from the power and earthiness of Caravaggio to the more elegant classicism of Reni and Domenichino.

This lecture considers her training in the very male world of the roman studio, and explores her skills in painting in a style which is both individual but which also put her in the forefront wherever in Europe she found herself working.

**THURSDAY 17TH - SUNDAY 19TH MAY**

**The Lion, The Witch and the Wardrobe**

We are thrilled to be presenting the Taunton premier of the Royal Shakespeare Company's adaptation of CS Lewis' The Lion, the witch and the wardrobe. With stirring anthems evoking a past time in English folklore, and all the fabulous characters brought to vivid life by the author, this show is both touching and spectacular.

**The Arts Society Taunton Evening presents  
'The Healing Power of Plants'**

by Timothy Walker, who in 1995 was awarded a Master of Horticulture by the Royal Horticultural Society of London.

Mankind has exploited the medicinal properties of plants for thousands of years, yet the role of plants in modern medicine is still considered to be peripheral by many people. This talk attempts to put the record straight and to show that plant products are used every day by all of us to relieve pain and suffering, to heal wounds and cure diseases.
