# Welcome

It gives me great pleasure to welcome you to our 2024 Prep School Speech Day. We are delighted that you can join us to celebrate the highlights of a busy and exciting year.

All children have worked incredibly hard this year and whether or not they receive an award today, the staff at Queen's are incredibly proud of them all. We feel lucky to work with such an enthusiastic and talented group of children each day.

I hope you enjoy the day.

Yours,  
Henry Matthews  
Head of Prep
