The Head offers **dual awards** by exception. Be aware that the demands placed on dual award holders can be significant. Despite best efforts, there will be pulls in different directions at times.

Each application requires a personal statement. Please tell us why you would like to be a Queen's Scholar, including years of involvement, aptitudes, specialisms and significant achievements. Where applicable refer to the specific scholarship information detailing requirements. A resume detailing experience and achievements is helpful and can be completed below.
