# Easter Sudoku

## Miss Lonergans' Challenge

## **Game Rules**

### ***Classic Sudoku***

*Each row, column, and 3x3 box must have all the digits 1 to 9 only once*

### ***Dutch Whispers (Colour:Orange)***

*The difference between adjacent digits along the line must be at least 4*

## Game Rules

### **Renban (Colour: Green)**

Digits must be distinct consecutive numbers, arranged in any order, for example: 3-6-5-4-7

### **Thermo (Colour: Grey)**

Digits on each Thermo line have to be in ascending order in both directions starting with the smallest digit on each circle
